About the symposium

This four-day continuing medical education course features state-of-the-art updates in cardiology, endocrinology, gastroenterology, infectious disease, nephrology, neurology, and rheumatology. The general session will feature a wide variety of clinical topics, with optional educational sessions also being provided for Family Medicine and Internal Medicine learners.

INTENDED AUDIENCE

This course is designed for family medicine physicians, internal medicine physicians, physician assistants, nurse practitioners, nurses, general practice and primary care providers.

FACULTY

Course directors

Atul Jain, MD, MS

Carolyn C. Moats, MD, MS

LEARNING OBJECTIVES

Upon completion of this program, participants should be able to:

- Identify clinical updates in the management of patients with osteoporosis.
- Review a patient-tailored approach to diabetes management.
- Summarize new anti-obesity therapeutic options for patients.
- Describe the management of patients with insomnia.
- Assess the patient with a new kidney stone.
- Optimally manage the patient with chronic kidney disease in the primary care setting.
- Recognize common rheumatologic disorders in the primary care clinic.
- Summarize current and novel strategies in the prevention and management of COVID-19.
- Apply a case-based approach to post-acute sequelae of SARS-CoV-2 infection.
- Review HIV pre-exposure prophylaxis in the high-risk primary care patient.
- Describe the evaluation of palpitations in the primary care patient.
- Assess updates in the management of patients diagnosed with dementia.

Accreditation Statement

 In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA Mayo Clinic College of Medicine and Science designates this other activity (live and livestream) for a maximum of 22.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Other Healthcare Professionals A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

ABIM MOC Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 22.00 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Participation information will be shared with ABIM through PARS.
