

# Mayo Clinic Pharmacy Grand Rounds

## Activity Description

Mayo Clinic Pharmacy Grand Rounds Podcast is a weekly podcast delivered by pharmacists to healthcare professionals who routinely manage the selection and monitoring of medication(s) as part of their patient care duties. Each week, speakers deliver insight to healthcare providers on evidence-based pharmacology topics in nearly every specialty area. The podcast content applies to pharmacists, physicians, physician assistants, and nurse practitioners in the inpatient and ambulatory care practice settings who care for neonatal through geriatric patient populations.

## Target Audience

This activity is appropriate for physicians, pharmacists, nurse practitioners, physician assistants, residents, fellows, students and allied health professionals.

## Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Select patient-specific pharmacotherapy for a broad scope of disease states
- Recall evidence-based literature to direct medication best-practices
- Identify controversial pharmacology topics and their potential impact on patient care

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

## Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

## Credit Statement(s)

### AMA

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 90.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ACPE

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 90.00 ACPE Knowledge -based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity.

### ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 90.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

### AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. Approval is valid until 12/31/2024. This activity is designated for 90.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

## Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

**Listed below are individuals with control of the content of this program who have disclosed...**

### **Relevant financial relationship(s) with ineligible companies:**

None

### **All relevant financial relationships listed for these individuals have been mitigated.**

Darryl S. Chutka, M.D. - **Stock/Shareholder:** Exact Sciences Corp

### **No relevant financial relationship(s) with ineligible companies:**

Sara A. Thompson, Pharm.D.  
Jane A. Linderbaum, APRN, C.N.P.  
Andrew J. Herber, P.A.-C.  
Kennedy C. Concannon, Pharm.D., R.Ph.  
Taylor Gullickson, Pharm.D., R.Ph.  
Jordyn F. Erkel, Pharm.D., R.Ph.  
Natalie T. Hagy, Pharm.D., R.Ph.  
Mickenzie M. Meyers, Pharm.D., R.Ph.  
Lauren E. Metropulos, Pharm.D., R.Ph.  
Alyssa Pitterle, Pharm.D., R.Ph.  
Matt Neumann, Pharm.D., R.Ph.  
Jenna Jackson, Pharm.D., R.Ph.  
Mark P. Layden, Pharm.D., R.Ph.

### **References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:**

Kennedy C. Concannon, Pharm.D., R.Ph.	Merck & Co.Inc. - Letermovir
Taylor Gullickson, Pharm.D., R.Ph	Seagen Inc - Brentuximab vedotin , Bristol Myers Squibb - Nivolumab
Natalie T. Hagy, Pharm.D., R.Ph.	Psilocybin, LSD, MDMA

## **Disclaimer**

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

## **Prerequisites for Participation**

There are no prerequisites needed prior to participating in this education activity.

## **Method of Participation**

Participation in this activity consists of listening to the online podcast and completing the post-test and evaluation.

## **How to Obtain Credit**

To obtain credit, complete the post-test, evaluation and submit.

## **Release and Expiration Dates**

Release Date: May 8, 2024  
Expiration Date: December 31, 2024

## **Acknowledgement of Commercial Support**

No commercial support was received in the production of this activity.

## **Faculty and Course Director Listing and Credentials**

Course Directors:

Sara A. Thompson, Pharm.D.

Darryl S. Chutka, M.D.

Jane A. Linderbaum, APRN, C.N.P.

Andrew J. Herber, P.A.-C.

Faculty:

Kennedy C. Concannon, Pharm.D., R.Ph.
