Colchi(seen) to Reduce Cardiovascular Risk in Established ASCVD

Session Date: 09/05/2023

Session Time: 11:00 – 11:45 AM (CST)

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

The inflammatory hypothesis, which states that inflammation has a role in perpetuating atherosclerotic cardiovascular disease (ASCVD), has long captured the attention of many practitioners and researchers. As this hypothesis has continued to be explored, there is now greater evidence pointing to inflammation increasing the risk of cardiovascular events. This research has uncovered colchicine as a suitable agent for reducing cardiovascular risk in those with established ASCVD, which recently received FDA approval for this indication. This presentation will review ASCVD and the guideline directed medical therapy for secondary prevention, describe the role of inflammation and colchicine's place in reducing cardiovascular risk, and discuss the clinical trials which led to colchicine's approval for secondary prevention of ASCVD.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

1. Recall the definition of and indication for secondary prevention of ASCVD.
2. Identify drug interactions with colchicine based on its metabolism.
3. Discuss the current literature and the applicability of the clinical trial results.

Faculty Information

Maggie Ruschmeyer, PharmD
PGY2 Ambulatory Care Pharmacy Resident
Mayo Clinic Health System - Mankato, MN

Maggie Ruschmeyer received a Doctor of Pharmacy degree from The University of Minnesota College of Pharmacy and completed her acute care PGY1 residency at M Health Fairview Southdale Hospital in Edina, MN. Her practice interests include diabetes, pharmacogenomics, cardiology, and infectious diseases.

Approved Provider Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

ACPE Universal Activity Number (UAN): JA0000238-0000-22-139-L01-P

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

ANCC

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.

Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program:

The faculty report the following relationships:

- Maggie Ruschmeyer, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of medications will not be discussed during this presentation

Course Director and Planning Committee Members declare no relevant financial relationship(s) pertinent to this session. Members include:

- | | |
|---|--|
| • Jennifer Elmer, DNP, APRN, CCNS | • Wayne Nicholson, MD, PharmD, BCPS |
| • Andrew Herber, PA-C | • Garrett Schramm, PharmD, FASHP, FCCP |
| • Sarah Jane Kotval, BSW | • Sara Thompson, PharmD, BCACP |
| • Scott Nei, PharmD, BCPS, BCCCP, FCCM, FMSHP | |

All relevant financial relationships have been mitigated.

For additional disclosure information regarding Mayo Clinic School of Continuous Professional Development accreditation review committee members visit ce.mayo.edu, About Us, Disclosures - or - <https://ce.mayo.edu/content/disclosures>

System and Technical Requirements

For participants viewing the webcast, sessions are delivered via Mayo Clinic intranet web browser and Adobe® PDF. For participants viewing outside the Mayo Clinic firewall, a VPN connection is required for remote access. Recommended web browser includes Google Chrome. This session is planned and coordinated by **the Department of Pharmacy, Mayo Clinic.**
