Nirsevimab: Prevent RSV or Let it Be?

Session Date: 09/26/2023

Session Time: 11:00 – 11:45 AM (CST)

Target Audience

This continuing education (CE) session was planned to meet the needs of professional staff who deal with the selection and monitoring of medication(s) as part of their patient care duties, including pharmacists, RNs, APRNs, PAs, MDs.

Activity Overview

The Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices met recently to discuss a new monoclonal antibody, nirsevimab, to prevent respiratory syncytial virus (RSV) in infants. RSV can lead to severe respiratory infections, particularly in infants and older adults. With RSV season rapidly approaching, evaluation of new and current prevention strategies should be analyzed to determine if practice changes are warranted. This presentation will review literature for the prevention of RSV in infants while discussing the optimal selection of a pharmacological intervention (nirsevimab versus palivizumab) in this unique population. Additional RSV prevention strategies will be discussed pertaining to individual patient characteristics of various ages.

Learning Objectives

At the conclusion of this knowledge-based CE session, participants should be able to:

1. Recognize the mechanism of action of nirsevimab and how it can prevent RSV.
2. Identify patient populations that may benefit from receiving nirsevimab.
3. Evaluate potential impact of administering nirsevimab for prevention of RSV on current practices at Mayo Clinic.

Faculty Information

Kimberly James, PharmD
PGY2 Pediatric Pharmacy Resident
Mayo Clinic Hospital - Rochester, MN

Kimberly received a Doctor of Pharmacy degree from the University of Florida College of Pharmacy and completed her PGY1 residency at PeaceHealth St. Joseph Medical Center in Bellingham, Washington. She is the current PGY2 pediatric pharmacy resident at Mayo Clinic Hospital – Rochester. Her practice interests include neonatal intensive care, pediatric intensive care, and general pediatrics.

Approved Provider Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statements

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

ACPE Universal Activity Number (UAN): JA0000238-0000-22-139-L01-P

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 0.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity

ANCC

Mayo Clinic College of Medicine and Science designates this activity for a maximum of 0.75 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 0.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Educational Format and CE Requirements

This CE session is available as a live presentation, including live webcast.

Participants must complete the following to record attendance and obtain CE credit:

1. Attend the entire session.
2. Text the session code to 507-200-3010 within 48 hours of the live presentation to record attendance.
 - a. This number is only used for receiving text messages related to tracking attendance
 - b. Employees are encouraged to create a contact in their mobile phone, as the same number is used to record attendance for every session
3. Complete the online evaluation for the respective session within 2 weeks of live presentation.

Pharmacist CE credit is electronically transferred to the National Association of Boards of Pharmacy CPE Monitor. To track CE, please go to [NABP CPE Monitor](#).

Non-pharmacist attendees can print out a record of attendance at ce.mayo.edu after completing the evaluation and claiming credit.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program:

The faculty report the following relationships:

- Kimberly James, PharmD
 - Declares no financial relationship(s) pertinent to this session
 - Declares off-label use of medications will not be discussed during this presentation

Course Director and Planning Committee Members declare no relevant financial relationship(s) pertinent to this session. Members include:

- | | |
|---|--|
| • Jennifer Elmer, DNP, APRN, CCNS | • Wayne Nicholson, MD, PharmD, BCPS |
| • Andrew Herber, PA-C | • Garrett Schramm, PharmD, FASHP, FCCP |
| • Sarah Jane Kotval, BSW | • Sara Thompson, PharmD, BCACP |
| • Scott Nei, PharmD, BCPS, BCCCP, FCCM, FMSHP | |

All relevant financial relationships have been mitigated.
